Transportation to and from practices and meets is each swimmer's responsibility. Official supervision is provided only during the swimmer's own practice time and at meets. Parents are responsible for their children at Blue Wave extracurricular activities. Please register only those children who have swimming abilities (i.e. can swim the American Crawl, no fear of water or separation difficulties). The first two weeks of practice is probationary for beginning swimmers. Coaches will have final determination of a swimmer's readiness. A Swimmer MUST compete in 2 Dual Meets to be eligible to participate in the Championship Meet. Children who are unable to continue after the first two weeks will be offered a refund for registration. (Suits can be returned for refund ONLY if they have not been worn).

*******There are NO REFUNDS whatsoever for any reason after the first two weeks.*******

The Blue Wave swim team is a **volunteer run organization**. The success of the team is due in large part to the participation and support of our wonderful parents. Please circle the area where you would like to volunteer. If you are unable to support the team with your time, you are responsible for providing a substitute (ex. grandparent, friend, hired individual aged 16 or more). No registration form will be accepted without a volunteer commitment.
